

# How Many Bank Accounts Do You Really Need?

*Why you should consider limiting the number of bank accounts per Operation...*

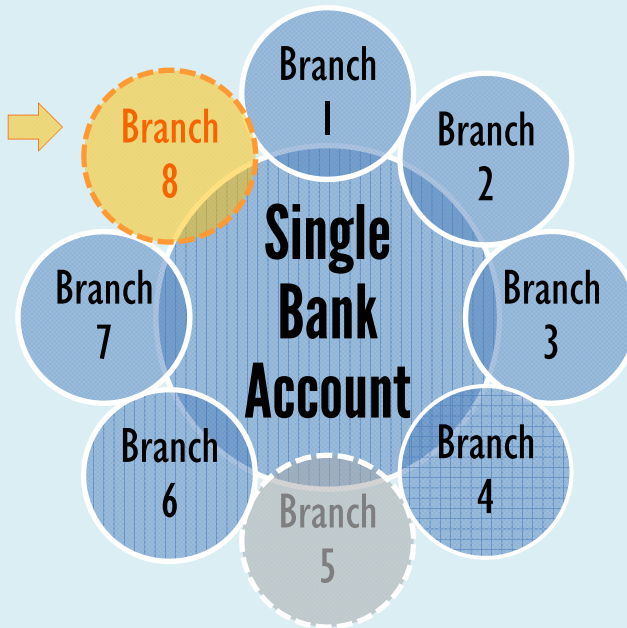

Do you know  
the monthly  
cost of a single  
bank account?

Maintenance Fees = **\$300**

Usage Fees = **\$424**

*Opening a new  
branch does not  
affect bank account*

*Closing a branch does  
not affect bank account*

## Easier to Manage

- ✓ OAC manages only **ONE** account per Operation
- ✓ Identify dormant funds from only **ONE** bank account

Escheatment  
*the process of  
surrendering  
unclaimed or  
abandoned  
property to a  
state  
authority.*

*Deploying a new  
production system? Perfect  
time to consolidate to **ONE**  
bank account!*

**ONE  
Flash  
Code**

**ONE  
Bank  
Account**

## REDUCE YOUR COSTS!

Use only **ONE** trust account  
for your entire Operation

- ✓ Fewer accounts to manage = less personnel
- ✓ Lower bank fees for usage & maintenance
- ✓ Fewer penalties for late remittance of escheated funds
