

Adding Buyer/Seller Vesting

Follow these steps to add individual or combined vesting language for Buyer/Borrower or Seller.

On the Contact's screen, after entering the **Buyer/Borrower** or **Seller** Name(s),

1. In the **Relationship** drop-down, select the appropriate vesting option
2. In the **Vesting** field, enter the appropriate aditional vesting language

Buyer/Borrower

Individual ☒ Organization

Type: Joint

Edit Signature...

Name(s):	First	Middle	Last	Suffix	Relationship	SSN
William		Buyer			and wife	--
Betty		Buyer				--

Name: William Buyer and Betty Buyer

Payee name: William Buyer and Betty Buyer

☐ Confidential

Vesting: , as tenants by the entirety

Interest language: Interest: 100.00000

Based on the combination in our example, this vesting language appears on recordable documents.

Grantee: William Buyer and wife Betty Buyer, tenants by the entireties

Note: When applying an order as a template, or overlaying Contacts from another order, the **Relationship** field is included.
