

Re-Opening an Impact Order in SoftPro Select

When you need to take an existing order in Impact and re-open it in SoftPro Select, use this checklist along with the job aid, **Open Order Checklist – Opening a New Order**, making the following adjustments while completing the items.

New Order window

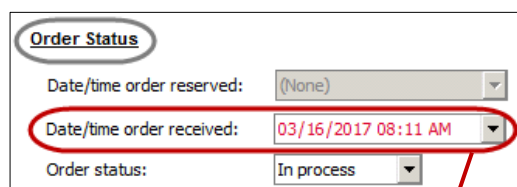

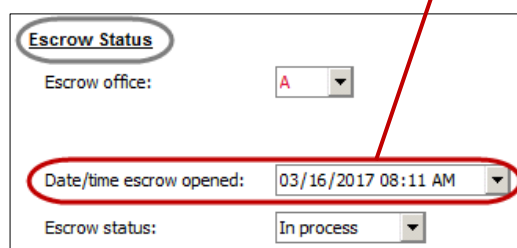

- ☐ In the **Order number** field, highlight and overwrite the system-generated order number with the Impact order number
- ☐ Verify the correct **Settlement type** is selected
- ☐ Apply your template(s)
 - › Click the **Search**  icon to search for and select the applicable template(s) for your transaction (i.e., Sale, Refi, etc.)
 - › Click the **OK** button to generate the order

Order Status screen

- ☐ Under **Order Status** in the **Date/time order received** field, back date the order to
 - › **date original order was opened**, if opened more than one month prior to today
 - › **date one month prior**, if the order was opened in the current month

This date is then written to the **Escrow Status > Date/time escrow opened** field.

Express Order Entry screen

- ☐ Enter your order information (i.e., contacts, property, etc.); refer to the job aid, **Open Order Checklist – Opening a New Order**, if needed

Notes screen

- ☐ SoftPro Select: enter a note specifying that "Title work done in Impact" if applicable
- ☐ Impact: enter a note specifying that "Order re-opened in SoftPro Select"

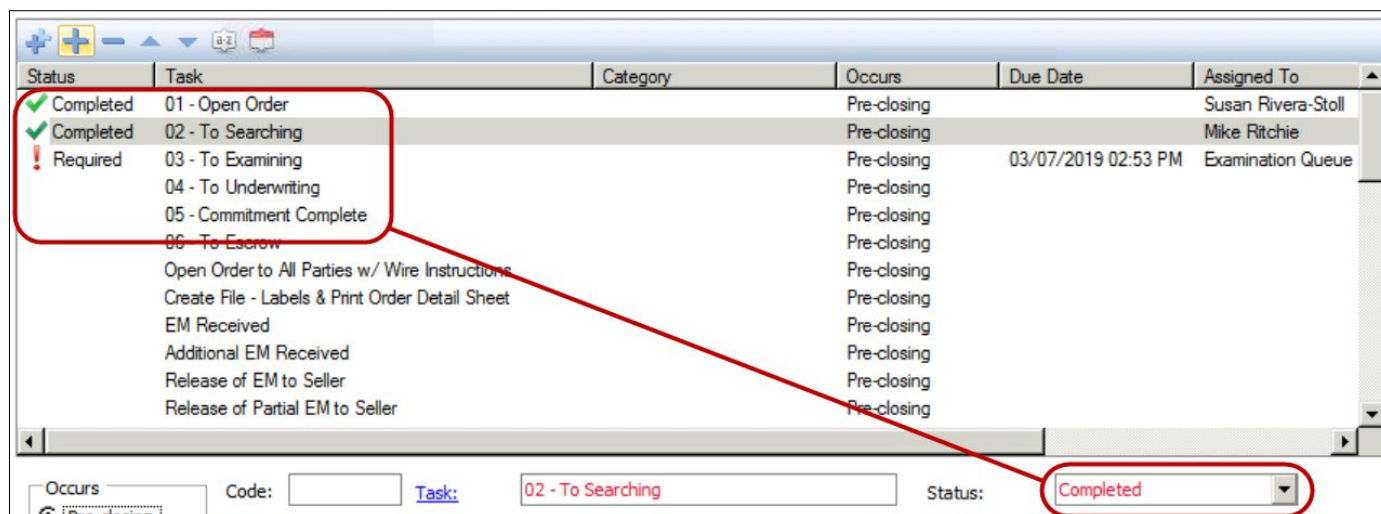

Re-Opening an Impact Order in SoftPro Select

Handle Impact Funds (if necessary): If you have funds in the Impact order,

- ☐ Impact order: Create ONE outgoing wire for all funds received
- ☐ SoftPro Select order: create an **Anticipated Wire** equal to the Impact outgoing wire amount
- ☐ Email the **Funds - File-to-File Transfer FORM** to your OAC Contact at seattleoac-ar@fnf.com

Checklist Tasks Screen:

- ☐ Title Users: **Tasks 01** through **05**, set the **Status** to **Completed** or **N/A** as applicable

Document Selection Screen:

- ☐ **Preview** and **Publish** the **Open Order Sheet** to smartview
- ☐ **Preview** and send the **Wire Information** to the Lender and/or Buyer(s), etc., as needed

smartview:

- ☐ Submit a request to smartview Support via [ServiceNow](#) to,
 - a) move the documents from the Impact order to the new SoftPro Select order
 - b) rename the Impact smartview file to **[order number] OLD** to avoid seeing duplicate files in smartview when performing a search

Do NOT CANCEL THE IMPACT ORDER.

Depending on the timing of when the order is re-opened in SoftPro Select, the policy may be completed in Impact while closing and disbursing is to be completed in SoftPro Select.
