

Escrow

Matching an Inbound Wire

Follow these steps to match an inbound wire to its "claim" (SoftPro Select Pending Receipt/Anticipated Wire).

- From the WMA menu, click **Inbound Wires > View Inbound Claim/Wire**

- Search for and locate the appropriate bank wire; click the **Details** button

Details							05/02/2014 12:15 PM	WMA-0006543	\$854.30	BOA6543-*****6543
Details	04/24/2014 12:28 PM	2014040470	\$1,148.00	BOA6543-*****6543	WMA Lender Company	123 W. 5th Avenue/Thornton CO 80229				
Details							05/07/2014 02:41 PM		\$1,234.56	USB5005-*****5005
Details	05/07/2014 02:45 PM	2014-12345789	\$1,234.56	USB5005-*****5005	Big Money Bank	123 Bank St				
Details	05/05/2014 12:54 PM	201405051454	\$1,250.00	WF4567-*****4567						

- Review the wire details as you scroll to the bottom of the screen to the **Potential Matching Wire Claims** section (Lender's Pending Receipt/Anticipated Wire)

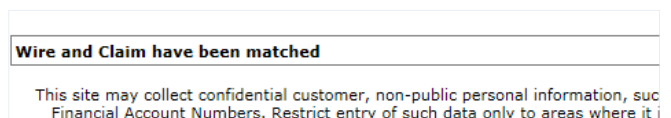

If you do not see a potential matching claim, verify you have followed all the appropriate steps in SoftPro Select to create the claim.

- If you are confident the claim is yours, click the **Match** button

							Show Exact <input checked="" type="checkbox"/> reset filter
Potential Matching Wire Claims							
	Account	Amount	Variance	File Number	Payor Name	Property Address	
Match	USB5005-*****5005	\$1,234.56		2014-12345789	Big Money Bank	123 Bank St, Dallas, TX, 97222	

1 / 1 20

A notification is emailed to the Escrow Officer on the SoftPro Select order, and a "matched" message appears at the bottom of the screen.

- Click the **Go Back To Search** button at the top of the screen
